Attention: Mr Lu Youming

Dear Mr Lu,

Integration of ez-link reader to your Car Park System

We refer to your letter dated 7th March 2005 and our subsequent test and inspection at your office.

We congratulate you for completing the system integration test of our ez-link reader (ePT2) to your parking system.

We will proceed to conduct UAT (User-Acceptance Test) and PAT (Production Assurance Test) on the system at site once your customer has signed up with QB.

Thank you.

Yours faithfully

Eddie Ng
